*\*As of June 18, 2024*

*Funding levels and provisions cited below are subject to change.*

**Summary Funding:** The House Appropriations Subcommittee on Military Construction, Veterans Affairs, and Related Agencies authorizes \$17.9B for military construction and family housing, a decrease of \$718M from FY24 enacted levels, and an increase of \$411M from the PB Request.

### Army National Guard

- Authorizes \$367M for Military Construction for the ARNG
  - \$253M decrease from FY24 enacted levels
  - \$5M increase from the PB Request

### Air National Guard

- Authorizes \$195M for Military Construction for the ANG
  - \$99M decrease from FY24 enacted levels
  - \$5M increase from the PB Request

*\*The Committee recognizes that some Aviation Support Facilities are not configured to protect and maintain modern airframes and encourages the Air National Guard to upgrade these facilities using unspecified minor military construction funds, as appropriate, to ensure current facilities are upgraded to adequately support current airframes.*
